

# POLISH TATRA WORKING DOG ASSOCIATION

## MEMBERSHIP APPLICATION

2011

Membership in the Polish Tatra Working Dog Association, Inc. (PTWDA), a not-for-profit 501 (c) (3) organization, will assist us reaching our goal to reserve and promote the Owczarek Podhalanski as it has been historically known as a unique livestock guardian, estate and home guardian. The OP gene pool is small and fragile throughout the entire world. Our organization strives to optimize, protect, and sensibly promote the breed, as we face the challenges of genetic preservation, so that future generations will have the opportunity to utilize and enjoy the breed as we have. Further, we acknowledge the intense desire to enhance and expand our bridges to the originators of the OP, the Polish Highlanders. Together, as a united force of concerned individuals, we hope to accomplish the above goals and at the same time, enjoy each other's company and our dogs in a low stress, fun-loving environment where discussion and the exchange of information flows freely, all to one end; the preservation of these incredible **BIG WHITE DOGS**.
